

Unsolved Crimes

Some of the most
captivating crimes
are never solved...

- In our world of technology, it would seem that all crimes get solved (on TV in an hour or less!). But in real life there are some crimes that still have many clues but no resolution.
- Your task is to present a poster or PowerPoint on an unsolved crime. Some examples have been provided below. You must give the following information in your report:
 - Who was/were the victim(s) of the crime?
 - Where and when was/were the crime(s) committed?
 - What were the investigatory steps taken by the authorities in the case(s)? Who were the major players within the case?
 - What, if any, were the technological limitations?
 - Were there any significant missteps by authorities that may have led to the crime remaining unsolved?
 - What are some of the "conspiracy theories" surrounding the crime? Have any of them been prominently explored?(made into books, movies,etc.)
 - This project is due by _____.
- Example crimes: Jack the Ripper, The Zodiac Killer, The Black Dahlia, the case of disembodied feet, JonBenet Ramsey, The women of Ciudad Juarez, Marilyn Sheppard, Mary Rodgers, the boy in the box, the Borden murders, and others...
